WHAT'S IN A NAME?

In speaking of the contemplated early arrival of Louis G. Dent, the new American consul at Dawson, the Dawson News says:

"Mr. Dent is a member of the family of General U. S. Grant, and from the side of the house from which Julia Dent Grant, the famous general's daughter, gets her middle name."

Julia Dent Grant was the famous general's wife, her maiden name being Dent. General Grant's only daughter was named Nellie. His son, Frederick Dent Grant, is a brigadier general in the regular army at the present time.

There is not a question of a doubt but that the democratic convention at Juneau tomorrow will declare in unmistakable terms for territorial government. That will make the circle of endorsements for the American principle of self-government complete. A non-partisan convention sitting at Juneau last October, and a republican convention at the same place less than three weeks afterward declared for territorial government. Now if the democrats do likewise, the claim of the Tories that they represent the people of Alaska will appear so ridiculous that it will call forth only derision for those who make it.

Among the things with which those who are developing Alaska have to contend is the constant knocking of the Tories. These people understand that the smaller and the more insignificant they can keep this district, the greater will be their opportunity to be regarded as amounting to something. Let the people of Alaska have an opportunity to express themselves, and Gov. Brady and all the other Tories will have to count their careers as over. It is with them a case of keeping Alaska down or going down themselves, and they are thinking more of self than of Alaska.

While the Daily Alaskan has criticized the umpire who defeated the Skagway baseball team at Whitehorse, last Saturday, it does not desire to be understood as reflecting upon the Whitehorse baseball team or the citizens' committee which had the celebration in charge. They are all too good sportsmen to take an unfair advantage in order to get a decision which is valueless unless merited.

In Memory of A. C. Fasel

Resolutions adopted March 24, 1904, upon the death of Brother A. C. Fasel, on March 22, at 8:45 a. m., of Camp Dawson No. 4, by Camp Fairbanks No. 18.

Whereas, It has pleased the Chief of all brotherhoods to call to the great supreme camp our beloved Brother Adolph C. Fasel, late of Camp Dawson No. 4, and

Whereas, By his death our beloved order has lost a beloved brother; his camp a worthy member; his country a noble and patriotic citizen; his wife a kind and loving husband, and his companions a true and faithful friend, therefore be it

Be it further

Resolved, That these resolutions be spread at large upon the records of our camp, and copies sent to his widow, Camp Dawson No. 4, Arctic Brotherhood, Camp Skagway No. 1, Arctic Brotherhood, and to each of the newspapers published at Fairbanks, Alaska, Dawson, Y. T., and Skagway, Alaska.

World's Greatest Inland Glacier

Henry Plant, tourist of Los Angeles, P. E. Leahy, of New York, G. E. Adams, of Butte, C. P. Wood, of Seattle, and G. R. Dedman of the Golden North hotel made the trip to Denver glacier and return yesterday. Mr. Plant, who has visited all the glaciers of the Alps characterizes the Denver as the most wonderful inland glacier he ever saw.

The work on the trail from what will be the new W. P. & Y. R. station of Denver to the glacier has begun and the trail will be completed in a few days. The W. P. & Y. R. will also begin work soon on a platform for passengers to get on and off the train at Denver. The round trip fare to Denver of \$1 is now effective.

ACT QUICKLY

Delay Has Been Dangerous in Many Cases

Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

Plenty of evidence to prove this. William Eldred, solicitor for F. A. Bolt & Co., 729 Commerce street, place of residence corner of 15th and Dock streets, Tacoma, Wash., says: "Last summer for about a month I had pain in my back so severe that I could hardly stand it. I also had other symptoms which convinced me that it was my kidneys that were the cause of the trouble and the secretions from those organs were too frequent in action, especially at night, disturbing my rest. I heard people speak well of Doan's Kidney Pills and this induced me to get a box. Before I had finished the box the pain in my back and other symptoms disappeared. I am a poor hand to take medicine, but when I find one which comes up to the representations made for it like Doan's Kidney Pills do, I am only too glad to recommend it at every opportunity."
